## All My Loving (2)

The Beatles

Close your eyes and I'll kiss you  
tomorrow I'll miss you,  
remember I'll always be true.  
And then while I'm away I'll write home every day,  
and I'll send all my loving to you.

### Chorus

All my loving - I will send to you  
all my loving, Darling I'll be true.

I'll pretend that I'm kissing  
the lips I am missing  
and hope that my dreams will come true.  
And then while I'm away I'll write home every day,  
and I'll send all my loving to you.

### Chorus

Close your eyes and I'll kiss you,  
tomorrow I'll miss you,  
remember I'll always be true  
And then while I'm away I'll write home every day,  
and I'll send all my loving to you.

## All You Need Is Love (3)

Words & Music: Lennon/McCartney

### Intro:

Love, love, love. Love, love, love. Love, love, love.

There's nothing you can do that can't be done.  
Nothing you can sing that can't be sung.  
Nothing you can say but you can learn how to play the game. It's easy.

There's nothing you can make that can't be made.  
No one you can save that can't be saved.  
Nothing you can do but you can learn how to be you in time. It's easy.

All you need is love, all you need is love,  
All you need is love, love, love is all you need.

### repeat Intro

### Chorus

There's nothing you can know that isn't known.  
Nothing you can see that isn't shown.  
Nowhere you can be that isn't where, you're meant to be. It's easy.

### Chorus

All you need is love (all together now)  
All you need is love (everybody)  
All you need is love, love, love is all you need.

## Amazing Grace (4)

John Newton

<sup>D</sup> Amazing Grace, how sweet the sound,  
<sup>G</sup> That saved a wretch like me.  
<sup>D</sup> I once was lost, but now am found,  
<sup>Bm</sup> Was blind, but now I see.

'Twas grace, that taught my heart to fear,  
And grace my fears relieved.  
How precious did that grace appear,  
The hour I first believed.

Through many dangers, toils and snares,  
I have already come.  
'Tis grace hath brought me safe, thus far,  
And grace will lead me home.

When we've been there ten thousand years,  
bright shining as the sun,  
We've no less days to sing God's praise,  
Than when we first begun.

Amazing Grace, how sweet the sound,  
That saved a wretch like me.  
I once was lost, but now am found,  
Was blind, but now I see.

## American Pie (6)

Don McLean

A long long time ago I can still remember  
how that music used to make me smile And I knew if I had my chance  
that I could make those people dance and maybe they'd be happy for a while.

But February made me shiver With every paper I'd deliver  
Bad news on the doorstep I couldn't take one more step  
I can't remember if I cried When I read about his widowed bride  
But something touched me deep inside The day the Music Died

So  
bye bye Miss American Pie Drove my chevy to the levy But the levy was dry  
And them good old boys were drinking whiskey and rye  
Singin' this'll be the day that I die this'll be the day that I die.

Did you write the book of love And do you have faith in God above?  
If the Bible tells you so. Do you believe in Rock 'n Roll?  
Can music save your mortal soul? And can you teach me how to dance real slow?

Well, I know that you're in love with him 'cause I saw you dancin' in the gym  
You both kicked off your shoes Man, I dig those rythmny blues  
I was a lonely teenage broncin' buck With a pink carnation and a pickup truck.  
But I knew I was out of luck The day the music died

I started singin'  
chorus

Now for ten years we've been on our own And moss grows fat on a rollin' stone  
But that's not how it used to be When the jester sang for the King and Queen  
In a coat he borrowed from James Dean And a voice that came from you and me

Oh, and while the King was looking down The jester stole his thorny crown  
The courtroom was adjourned No verdict was returned  
And while Lennon read a book of Marx The court kept practice in the park  
And we sang dirges in the dark The day the Music Died.

We were singing  
chorus

Helter-Skelter in a summer swelter The Byrds flew off with a fallout shelter  
Eight Miles High and falling fast It landed foul out on the grass  
The players tried for a forward pass But the jester's on the sidelines in a cast

Now the half-time air was sweet perfume While the sargeants played a marching tune  
We all got up to dance But we never got the chance  
'cause the players tried to take the field The marching band refused to yield  
Do you recall what was revealed the day the Music Died?

We stared singing  
chorus

Oh, and there we were all in one place A generation Lost in Space  
With no time left to start again So come on, Jack be nimble  
Jack be quick Jack Flash sat on a candlestick 'cause fire is the Devil's only friend

Oh, and as I watched him on the stage My hands were clenched in fists of rage  
No angel born in hell Could break that Satan's spell  
And as the flames climbed high into the night To light the sacrificial rite  
I saw Satan laughing with delight The day the Music Died

He was singing  
chorus

I met a girl who sang the blues And I asked her for some happy news  
But she just smiled and turned away I went down to the sacred store  
Where I'd heard the music years before But the man there said the music woudn't play

And in the streets the children screamed The lovers cried, and the poets dreamed  
But not a word was spoken The Church bells all were broken  
And three men I admire most The Father, Son and the Holy Ghost  
They caught the last train for the coast The Day the Music Died.

And they were singing  
chorus

They were singing  
chorus

C Em D D  
Is your heart filled with pain, shall I come back again?  
rem G7 C G7  
Tell me dear are you lonesome tonight.

I wonder if you are lonesome tonight  
You know someone said that the world is a stage  
And you must play a part.  
Fate had me playing in love twes my sweet heart.  
Act one was when I met you, I loved you at first glance  
You read your line so cleverly and never missed a 'q'  
Then came act 2, you seemed to change and you acted strange  
And why I'll never know.  
Honey, you're lying when you said you loved me  
And I had no cause to doubt you.  
But I'd rather go on hearing your lies  
Than go on living without you.  
Now the stage is bare and I'm standing there  
With emptiness all around  
And if you won't come back to me  
Then make them bring the curtain down.

Is your heart . . .

## Banks of the Ohio (13)

I asked my love to go with me,  
Just to walk a little way.  
And as we walked, 'twas then we talked  
Of our approaching wedding day.

Then only say that you'll be mine  
And in no other arms entwine.  
Down beside, where the waters flow  
Down by the banks of the Ohio.

I held a knife against her breast  
As gently in my arms she pressed,  
Crying "Willie, Oh Willie! Don't murder me  
For I'm unprepared for eternity!"

I took her by her lily white hand  
And led her down where the waters stand;  
I picked her up and pitched her in  
And watched her as she floated down.

I started home 'twixt twelve and one  
Cryin' "Oh my God! What have I done?  
I've murdered the only woman I love  
Because she would not be my bride.

## Black Velvet Band (18)

In a neat little town they call Belfast apprenticed to trade I was bound  
And many an hour of sweet happiness I spent in that neat little town  
Till bad misfortune came over me and caused me to stray from the land  
Far away from me friends and relations me followed the Black Velvet Band

Her eyes they shown like the diamonds  
You'd think she was queen of the land  
And her hair hung over her shoulder  
Tied up with a Black Velvet Band

Well I went out strolling one evening not meaning to go very far  
When I met with a fickle-some damsel she was plying her trade in a bar  
When a watch she took from a cutomer and slipped it right into me hand  
And the law it came and arrested me bad luck to your Black Velvet Band

This mornin' before judge and jury a trial I had to appear  
And the judge he says "me young fellow" the case against you is quite clear  
And seven long years is your sentence you're going to Van Daemons Land  
Far away from your friends and relations and follow the Black Velvet Band

So come all ye jolly young fellows I'll have you take warnin' from me  
Whenever you're into the liquor me lads beware of the pretty colleen  
For they'll fill you with whiskey and porter till you are not able to stand  
And the very next thing that you know me lads you've landed in Van  
Daemon's Land

## Blackbird (19)

John Lennon/Paul McCartney

Blackbird singing in the dead of night,  
Take these broken wings and learn to fly.  
All your life,  
You were only waiting for this moment to arise.

Blackbird singing in the dead of night,  
Take these sunken eyes and learn to see.  
All your life,  
You were only waiting for this moment to be free.

Black - bird, fly.  
Black - bird, fly...  
Into the light of a dark, black night.

## Blood Red Roses (20)

Come all you sealers and listen to me  
A lovely song I'll sing to thee  
it was in eighteen hundred and three  
That we set sail for the southern sea

O come down you pinks and posies  
O come down you blood red roses

Our captain he has set us down  
And he has sailed for Sydney town  
And he has left us with some grub  
Just one split pea in a ten pound tub

O come down you pinks and posies  
O come down you blood red roses

A bull seal he is bigger than a mouse  
But a sealer's lot is lower than a louse  
And now we're all covered over with fur  
We've grown us tails like Lucifer

O come down you pinks and posies  
O come down you blood red roses

And when our captain he returns to hell  
Why, we will treat him here for a spell

O come down you pinks and posies  
O come down you blood red roses

## Both Ways, Now (21)

Both Sides, Now  
Guy L. Steele Jr.

Decimal digits in a row,  
Just set the dials and let 'er go.  
The ENIAC was grossly slow --  
I used to code that way,  
But then this Fortran came along;  
I danced and sang a happy song:  
So natural -- what could go wrong?  
I little knew, that day!  
I've looked at Fortran both ways, now,  
At II and IV, and still somehow,  
It's rows of numbers I recall;  
I really don't know Fortran at all.

Fortran IV is real good stuff,  
But business hackers have it tough;  
For them this Fortran's not enough --  
Then Cobol saved the day!  
But now I sing a sad refrain;  
This Cobol loss is no one's gain,  
And writing programs is a pain  
(I get writer's cramp that way!)  
I've looked at Cobol both ways, now,  
I code in it, and still somehow,  
It's FORMAT statements I recall;  
I really don't know Cobol at all.

Cobol will for business do;  
Accounts and payroll make it through  
(And bills for zero dollars too --  
I get them every day!)  
But those who hack symbolic frobs  
Cannot make do with Cobol jobs,  
And now I sing through anguished sobs,  
But Lisp is here to stay.  
I've looked at Lisp code both ways, now,  
At lambda forms, and still somehow,  
It's Cobol statements I recall;  
I really don't know Lisp at all.

## California Dreaming (25)

The Mamas and the Papas

All the leaves are brown and the sky is grey  
I've been for a walk on a winter's day  
I'd be safe and warm if I was in L.A.  
California dreaming on such a winter's day  
Stopped into a church I passes along the way  
Oh I got down on my knees and I pretend to pray  
You know the preacher likes the cold,  
he knows I'm gonna stay  
California dreaming on such a winter's day  
All the leaves are brown and the sky is grey  
I've been for a walk on a winter's day  
If I didn't tell her I could leave today  
California dreaming  
on such a winter's day  
on such a winter's day  
on such a winter's day

## Come all you tonguers (32)

Come all you tonguers and land-loving lubbers  
Here's a job cutting in and boiling down blubbers  
A job for the youngster or old and ailing  
The agent will grab any man for shore-whaling

I am paid in soap and sugar and rum  
For cutting in whale and boiling down tongue  
The agent's fee makes my blood so to boil  
I'll push him in a hot pot of oil

Go hang the agent, the company too  
They are making a fortune off me and off you  
No chance of a passage from out of this place  
And the price of living's a blooming disgrace.

I am paid.. etc.

## DANNY BOY (33)

Oh Danny boy, the pipes, the pipes are calling  
From glen to glen, and down the mountain side  
The summer's gone, and all the flowers are dying  
'tis you, 'tis you must go and I must bide.

But come you back when summer's in the meadow  
Or when the valley's hushed and white with snow  
'tis I'll be there in sunshine or in shadow  
Oh Danny boy, oh Danny boy, I love you so.

And if you come, when all the flowers are dying  
And I am dead, as dead I well may be  
You'll come and find the place where I am lying  
And kneel and say an "Ave" there for me.

And I shall hear, tho' soft you tread above me  
And all my dreams will warm and sweeter be  
If you'll not fail to tell me that you love me  
I simply sleep in peace until you come to me.

## Desperado (34)

By The Eagles

Desperado, why don't you come to your senses?  
 You been out ridin' fences for so long now  
 Oh, you're a hard one, I know that you got your reasons,  
 These things that are pleasin' you can hurt you somehow

Don't you draw the queen of diamonds boy,  
 She'll beat you if she's able,  
 You know the queen of hearts is always your best bet  
 Now it seems to me some fine things have been laid upon your table  
 But you only want the ones you can't get

Desperado, oh you ain't gettin' no younger,  
 Your pain and your hunger, they're drivin' you home  
 And freedom, well, that's just some people talkin'  
 Your prison is walkin' through this world all alone

Don't your feet get cold in the winter time?  
 The sky won't snow and the sun won't shine  
 It's hard to tell the night time from the day  
 You're losin' all your highs and lows  
 Ain't it funny how the feelin' goes away

Desperado, why don't you come to your senses  
 Come down from your fences, open the gate  
 It may be rainin', but there's a rainbow above you  
 You better let somebody love you,  
 You better let somebody love you before it's too late

## Don't Dream It's Over (35)

Neil Finn (Crowded House)

*Tune down a half-tone*

E(9) E9 E7sus

Intro:

There is freedom within, there is freedom without, try to catch the deluge in a paper cup  
 There's a battle ahead, many battles are lost  
 But you'll never see the end of the road while you're traveling with me

Hey now, hey now, don't dream it's over  
 Hey now, hey now, when the world comes in  
 They come, they come, to build a wall between us  
 We know they won't win

Now I'm towing my car, there's a hole in the roof  
 My possessions are causing me suspicion but there's no proof  
 In the paper today tales of war and of waste, but you turn right over to the T.V. page

## Down the Hall on Saturday Night (36)

Peter Cape

I've got a new brown sportscoat,  
I've got a new pair of grey strides,  
I've got a real Kiwi haircut,  
A bit off the top and a short back and sides.

As soon as I've tied up the kuri (or guri),  
As soon as I've swept out the yard,  
As soon as I've hosed down me gumboots  
I'll be living it high, and living it hard.

I'm gonna climb onter the tracta,  
I'm gonna belt it out of the gate,  
Cos there's a hop-on down the hall and,  
She starts sharp somewhere 'bout half past eight.

Look at the sheilas cutting the supper,  
Look at the kids sliding over the floor,  
And look at the great big bunch of jokers,  
Standing 'round the door.

they got the teacher to belt the pianer,  
They got Joe from the store on the drums,  
We're as slick as the 'Orange' in Auckland,  
for hooping things up, and making them hum.

I had a schotise with the tart from the butcher's,  
I had a waltz with the constable's wife,  
I had a beer from the keg on the cream truck,  
And the cop had one too, you can bet your life.

Yeah, it's great being out with the jokers,  
When the jokers are sparkin' and bright,  
Yeah it's great giving cheek to the sheilas,  
Down the hall on Saturday night.

## Erlkonig, D. 328 (1815) (39)

Franz Schubert, Johann Wolfgang von Goethe

Wer reitet so spat durch Nacht und Wind?  
Es ist der Vater mit seinem Kind;  
er hat den Knaben wohl in dem Arm,  
er fasst ihn sicher, er halt ihn warm.

"Mein Sohn, was birgst du so bang dein Gesicht?"  
"Siehst, Vater, du den Erlkonig nicht?  
den Erlkonig mit Kron' und Schweif?"  
"Mein Sohn, es ist ein Nebelstreif."

"Du liebes Kind, komm, geh mit mir!  
gar schone Spiele spiel' ich mit dir;  
manch' bunte Blumen sind an dem Strand;  
meine Mutter hat manch' gulden Gewand."

"Mein Vater, mein Vater, und horest du nicht,  
was Erlkonig mir leise verspricht?"  
"Sei ruhig, bleibe ruhig, mein Kind;  
in durren Blattern sauselt der Wind."

"Willst, feiner Knabe, du mit mir geh'n?  
meine Tochter sollen dich warten schon;  
meine Tochter fuhren den nachtlichen Reih'n  
und wiegen und tanzen und singen dich ein."

"Mein Vater, mein Vater, und siehst du nicht dort,  
Erlkonigs Tochter am dustern Ort?"  
"Mein Sohn, mein Sohn, ich seh' es genau,  
es scheinen die alten Weiden so grau."

"Ich liebe dich, mich reizt deine schone Gestalt,  
und bist du nicht willig, so brauch' ich Gewalt."  
"Mein Vater, mein Vater, jetzt fasst er mich an!  
Erlkonig hat mir ein Leids gethan!"

Dem Vater grauset's, er reitet geschwind,  
er halt in Armen das achzende Kind,  
erreicht den Hof mit Muh und Noth:  
in seinem Armen das Kind was todt.

## Every Cycle is Sacred (40)

Every Sperm is Sacred  
Tony Duell <ard@siva.bris.ac.uk>

There are Suns in this world, there are Apples,  
There are Sequents and Goulds and then,  
There are those who clone I B M, BUT  
I've never been one of them.

For I'm an 11/45  
and have been since the day I was made  
And the one thing they say about PDP's is  
They'll run no matter what they said,  
You don't have to be in a six-footer,  
You don't have to have a 9-slot backplane  
You don't have to have Memory Management,  
You're booted the moment DCLO came, For

Every Cycle is Sacred,  
Every Cycle is Great,  
If a cycle gets wasted,  
DEC gets quite irate!

### Repeat

Let the others waste them,  
On floating-point multiply  
DEC shall make them pay for  
Each add able to be skipped by.

Every cycle is wanted  
Every cycle is good  
Every cycle is needed  
In your neighbourhood

Intel, Sun and Zilog  
Branch their's just anywhere  
DEC loves those who write  
Their Microcode with more care

Every cycle is useful  
Every cycle is fine  
DEC saves everybody's  
Time and Time and Time.

Other systems waste theirs  
while fetching o'er t'backplane  
DEC shall strike them down for  
each cycle thats run in vain

Every cycle is sacred,  
Every cycle is great,  
If a cycle gets wasted,  
DEC GETS QUITE IRATE!!!

## Fifty ways to leave your editor (42)

All right, you've got a deal. Memories of trying to quit an editor in VMS that I didn't understand . . . (A bad song this for parodying. It makes it sound like I can't make words scan, even though I'm referring to the sheet music in front of me.)

The problem is all inside your ed(1), she sed(1) to me,  
But the answer is emacs if you like C-x C-c,  
I'm here to help you if you're struggling to use free(),  
There must be fifty ways to leave your editor.

She said, 'I hope your print job doesn't get dequeued,  
I hope that you've stocked up lots of vending machine food.  
But I'll repeat myself - have you gone and colon-q'd?  
There must be fifty ways to leave your editor.  
Fifty ways to leave your editor.'

Just press control-K, Ray,  
Try double-Z, Fred,  
You're still in insert, Bert,  
So hit control-C.  
Press meta-x, Lex,  
Then type, 'exit-quit-leave'  
Or else just suspend, friend,  
and kill(1) it with glee.

She said, 'It grieves me now to stty(1) sane,  
I wish there was something I could do to see your prompt again,'  
I said, "I appreciate that," and started to complain  
About the fifty ways.

She said, 'Why don't we both just sleep(1) on it tonight?  
I'm sure in the morning you'll be sick of reading Byte.'  
And then she warned me not to be a power-cycling neophyte,  
There must be fifty ways to leave your editor.  
Fifty ways to leave your editor.

## God Defend New Zealand (44)

God of nations at thy feet  
In the bonds of love we meet  
Hear our voices we entreat  
God defend our free land.  
Guard Pacific's triple star  
From the shafts of strife and war  
Make her praises heard afar  
God defend New Zealand.

Men of ev'ry creed and race  
Gather here before thy face  
Asking Thee to bless this place  
God defend our free land.  
From dissension, envy, hate  
And corruption guard our state  
Make our country good and great  
God defend New Zealand.

Peace not war shall be our boast  
But should foe assail our coast  
Make us then a mighty host  
God defend our free land.  
Lord of battles in they might  
Put our enemies to flight  
Let our cause be just and right  
God defend New Zealand.

Let our hope for Thee increase  
May Thy blessing never cease  
Give us plenty, give us peace  
God defend our free land.  
From dishonour and from shame  
Guard our country's spotless name  
Crown her with immortal fame  
God defend New Zealand.

May our mountains ever be  
Freedom's ramparts on the sea  
Make us faithful unto Thee  
God defend our free land.  
Guide her in the nations van  
Preaching love and truth to man  
Working out thy glorious plan  
God defend New Zealand.

## God Defend NZ (Alternate Version) (45)

In the mighty Cromwell Gorge  
Tons of concrete they will forge  
All our farmland they will drown  
Right back up to Albert town.

Flood the Wilkin, dam the Rees  
Will their planning never cease?  
We must learn where danger lurks  
Vandals of the Public Works.

First the valleys, then the creeks  
Next they'll flood our flaming peaks  
While for Auckland power abounds  
Our South Island slowly drowns.

Climbers of the Alps unite  
For our snow we now must fight  
Keep it for our pleasure now  
Not for making bloody power.

Benmore, Roxburgh, Aviemore  
Manapouri, how many more  
Will our trees and forests last  
When the water tops the Haast.

Halt Kawarau's mighty drop  
Arawata they must stop  
When they reach Aspiring's top  
God defend New Zealand!!

## The Gumboot Song (46)

John Clarke

Righto, kick it in the guts, Trev...

Gumboots, they are wonderful, gumboots, they are swell  
'coz they keep out the water and they keep in the smell.  
And when you're sittin' round at home, you can always tell  
When one of the Trevs has taken off his gumboots.

Chorus:

If it weren't for your gumboots, where would ya be?  
You'd be in the hospital or infirmary  
'coz you would have a dose of the 'flu, or even pleurisy  
If ya didn't have yer feet in yer gumboots.

Now there's rugby boots and racing boots and boots for drinkin' rum.  
But the only boots I'm never without are the ones that start with "gum".  
I've got short ones and long ones and some up to me belt.  
I'm never dressed 'till I've got on me gumboots.

Chorus

Whenever I sing at the opera, my gumboots are a must.  
They help me hit the high notes, and protect me feet from dust.  
They keep the water well away, so me voice won't get no rust.  
You will not never see me without me gumboots.

Chorus

Now Rob Muldoon and Rowling, they haven't made a hit.  
They're ruining the country more than just a bit.  
If they keep on the way they're going, we'll all be in turd.  
So you'd better get yer feet up yer gumboots.

## Kodachrome (62)

Paul Simon

When I think back on all the crap I learned in high school  
It's a wonder I can think at all.  
And though my lack of education hasn't hurt me none,  
I can read the writing on the wall.

### Chorus:

They give us the greens of summers,  
Makes you think all the world's a sunny day Oh yeah,  
I got a Nikon camera, I love to take a photograph,  
So momma, don't take my Kodachrome away.

If you took all the girls I knew when I was single  
And brought them all together for one night,  
I know they'd never match my sweet imagination,  
And ev'rything looks worse in black and white.

## Loch Lomond (66)

By yon bonnie banks and by yon bonnie braes,  
Where the sun shines bright on Loch Lomond,  
Where me and my true love were ever won't to gae  
On the bonnie bonnie banks o' Loch Lomond

O' ye'll tak the high road and I'll tak the low road,  
And I'll be in Scotland afore ye;  
But me and my true love will never meet again,  
On the bonnie bonnie banks o' loch Lomond

Twas there that we parted in yon shady glen,  
On the steep steep side o' Ben Lomond,  
Where in deep purple hue, the Hieland hills we view,  
And the moon coming oot in the gloaming.

The wee birdies sing, and the wild flowers spring,  
And in sunshine the waters are sleeping,  
But the broken heart will ken nae second spring again,  
Though the waefu' may cease fae their greeting

Nobody knows but me.

The judge said: Son, what is your alibi  
If you were somewhere else, then you don't have to die.  
I spoke not a word though it ment my life  
For I'd been in the arms of my best friends wife.  
(Chorus)

The scaffold was high and eternity was near  
She stood in the crowd and shed not a tear.  
But sometimes at night when the cold winds moan  
In a long black veil she cries over my bones.

### Chorus

G Em  
 You know I love you, I always will  
 G D  
 My mind's made up by the way that I feel  
 G Em  
 There's no beginning, there'll be no end  
 G A  
 Cos on my love you can depend

I see your face before me as I lay on my bed  
 I kinda get to thinking of all the things you said  
 You gave your promise to me and I gave mine to you  
 I need someone beside me in everything I do

You know I love you, I always will  
 My mind's made up by the way that I feel  
 There's no beginning, there'll be no end  
 Cos on my love you can depend

It's written on the wind, it's everywhere I go  
 So if you really love me, come on and let it show  
 Come on let it show

 But the clouds never hung so low before

It makes no diff'rence how far I go  
 Like a scar the hurt will always show  
 It makes no diff'rence who I meet  
 They're just a face in the crowd  
 On a dead-end street  
 And the sun don't shine anymore  
 And the rains fall down on my door

These old love letters  
 Well, I just can't keep  
 'Cause like the gambler says  
 Read 'em and weep  
 And the dawn don't rescue me no more

D Bm  
 Without your love I'm nothing at all

 They rattle the walls

And the sun don't shine anymore  
 And the rains fall down on my door

Well, I love you so much  
 It's all I can do  
 Just to keep myself from telling you  
 That I never felt so alone before

She tells Max to stay when the class has gone away,  
so he waits behind. Writing fifty times "I must not be so-o-o-o-o."  
But, when she turns her back on the boy, he creeps up from behind:

### Chorus

P.C. thirtyone said "We've caught a dirty one.", Maxwell stands alone.  
Painting testimonial pictures, oh, oh, oh, oh.

The judge does not agree. And he tells them so-o-o-o-o.  
But, as the words are leaving his lips, a noise came from behind:

## Octopus's Garden (79)

Richard Starkey

- <sup>F</sup> <sup>Dm</sup>  
1. I'd like to be under the sea  
<sup>Bb</sup> <sup>F</sup> <sup>C7</sup>  
In an Octopus's Garden in the shade.  
<sup>F</sup> <sup>Dm</sup>  
He'd let us in, knows where we've been,  
<sup>Bb</sup> <sup>F</sup> <sup>C7</sup>  
In his Octopus's Garden in the shade.
- <sup>Dm</sup>  
I'd ask my friends to come and see  
<sup>Bb</sup> <sup>C</sup>  
An Octopus's Garden with me.  
<sup>F</sup> <sup>Dm</sup>  
I'd like to be under the sea  
<sup>Bb</sup> <sup>C7</sup> <sup>F</sup>  
In an Octopus's Garden in the shade.
2. We would be warm below the storm  
In our little hideaway beneath the waves.  
Resting our head on the sea bed  
In an Octopus's Garden near a cave.
- We would sing and dance around  
Because we know we can't be found.  
I'd like to be under the sea  
In an Octopus's Garden in the shade.
3. We would shout and swim about  
The coral that lies beneath the waves.  
Oh, what joy for every girl and boy  
Knowing they're happy and they're safe.
- We would be so happy, you and me.  
No one there to tell us what to do.  
I'd like to be under the sea  
In an Octopus's Garden with you.

Tried to save the trees, bought a plastic bag  
<sup>A</sup>  
The bottom fell out it was a piece of crap (piece of crap!)  
After a few verses, there's a chord change: it goes like this:

BILLY TALBOT singing: <sup>C D B A</sup> (piece of crap!)

Tried to save the trees  
bought a plastic bag  
the bottom fell out  
it was a piece of crap

Saw it on the tube  
bought it on the phone  
now you're home alone  
it a piece of crap

I tried to plug it in  
I tried to turn it on  
When I got it home  
it was a piece of crap

Got it from a friend  
on him you can depend  
I found out in the end  
it was a piece of crap

I'm trying to save the trees  
I saw it on TV  
They cut the forest down  
to build a piece of crap

I went back to the store  
they gave me four more  
the guy told me at the door  
it was a piece of crap

## Raglan Road (86)

On Raglan Road of an autumn day I saw her first and knew  
That her dark hair would weave a snare that I might one day rue.  
I saw the danger and I passed along the enchanted way  
and I said let grief be a fallen leaf at the dawning of the day.

On Grafton Street in November we tripped lightly along the lay  
of a deep ravine where can be seen the worth of passions play.  
The queen of hearts still making tarts and I not making hay.  
Oh, I love too much and by such, by such is happiness thrown away.  
I gave her gifts of the mind I gave her the secret sign  
Known to the artists who have known the true Gods of sound and stone.  
And words and tint I did not stint, I gave her poems to say.  
With her own name there and her own dark hair like clouds over the fields of May.

On a quiet street where old ghosts meet, I see her walking now  
away from me so hurriedly my reason must allow  
that I had loved not as I should a creature made of clay.  
When the angel woos the clay he'll lose his wings at the dawn of the day.

## Rocky Raccoon (88)

John Lennon and Paul McCartney (1968)

### Spoken:

*Am7* *D7*  
Now somewhere in the Black Mountain hills of Dakota  
*G7*  
there lived a young boy named Rocky Raccoon  
And one day his woman ran off with another guy  
*C*  
Hit young Rocky in the eye  
*C/B*  
Rocky didn't like that,  
*Am7* *D7*  
he said I'm gonna get that boy  
*G7*  
So one day he walked into town  
*C* *C/B*  
and booked himself a room in a local saloon

### Sing:

*Am7* *D7*  
Rocky Raccoon, checked into his room,  
*G7* *C* *C/B*  
only to find Gideon's Bible.  
*Am7* *D7*  
Rocky had come, equipped with a gun,  
*G7* *C* *C/B*  
to shoot off the legs of his rival  
*Am7* *D7*  
His rival it seems, had broken his dreams,  
*G7* *C* *C/B*  
by stealing the girl of his fancy  
*Am7* *D7*  
Her name was McGill, And she called herself Lil,  
*G7* *C* *C/B*  
but everyone knew her as Nancy  
  
Now she and her man, who called himself Dan,  
were in the next room at the hoedown  
Rocky burst in and grinning a grin,  
he said "Danny boy, this is a showdown."  
But Daniel was hot, he drew first and shot,  
and Rocky collapsed in the corner.

*Am7 D7 G7 CC/B*

(instrumental)

Now the doctor came in, stinking of gin, and proceeded to lie on the table  
He said, "Rocky, you met your match,"  
but Rocky said, "Doc, it's only a scratch  
and I'll be better, I'll be better, Doc, as soon as I am able."

Now Rocky Raccoon, he fell back in his room only to find Gideons Bible  
Gideon checked out and he left it no doubt  
to help with good Rocky's revival.

## She'll Be Right (89)

When you're hunting in the mountains and your dog's put up a chase,  
And a porker's coming at you and he doesn't like your face.  
And you're running and he's running and he's pounding on the pace,  
Well, don't worry mate, she'll be right.

Chorus:

She'll be right, mate, she'll be right.  
Don't worry mate, she'll be right.  
You can get your feed of pork when he slows down to a walk  
So don't worry mate she'll be right.

When you're logging in the ranges and you're riding down the bluff,  
With forty feet of timber riding right behind your chuff.  
Your clutch has started slipping and your brakes are worse than rough.  
Well, ...

Chorus:

Just give her all you can give her, and she'll just fly into the river.

When they've finished off your forwards, and your backs are wearing thin,  
The second half's near over and you're forty points to win,  
And a hulking wing three quarter's got his teeth stuck in your shin  
Well, ...

Chorus:

You won't worry who's the loser when you meet them down the boozier.

When you're boiling up the copper and you're brewing up the hops  
You've made a hundred dozen and you've hammered down the tops.  
The missus comes and asks you where you've put your footy sox.  
Well, ...

Chorus:

Shove a shot of metho in, and you'll swear you're drinking gin.

**chorus**  
I know a woman, (who) became a wife  
These are the very words she uses to describe her life  
She said a good day ain't got no rain  
She said a bad day is when I lie in the bed  
And I think of things that might have been

**chorus**  
And I know a father who had a son  
He longed to tell him all the reasons for the things he'd done  
He came a long way just to explain  
He kissed his boy as he lay sleeping  
Then he turned around and he headed home again

**chorus**  
Whoah God only knows, God makes his plan  
The information's unavailable to the mortal man  
We're workin' our jobs, collect our pay  
Believe we're gliding down the highway, when in fact we're slip sliding away

## Song of the Certified Data Processor (95)

When I Was a Lad from H.M.S. Pinafore  
Guy L. Steele Jr.

When I was a lad I served a term  
As office boy to a computing firm.  
I polished the handle of the big front door  
And swept up all the card chips from the keypunch floor.  
He swept up all the card chips from the keypunch floor.  
I swept that chad so carefuller  
That now I am officially a CDP.  
He swept that chad so carefuller  
That now he is officially a CDP.

My office job was a heavy load,  
So I went to night school and learned to code.  
I was soon coding payroll in RPG  
And compiled all my programs on a System/3.  
He compiled all his programs on a System/3.  
I compiled my code so gay and free  
That now I am officially a CDP.  
He compiled his code so gay and free  
That now he is officially a CDP.

I wrote efficient code each day,  
But I missed the benefits of higher pay.  
I asked for a raise, but my boss said, "See,  
Youse ain't good enuf because youse ain't a CDP."  
"He ain't good enuf because he ain't a CDP."  
So I vowed that someday I would see  
Myself become officially a CDP.  
So he vowed that someday he would see  
Himself become officially a CDP.

For nineteen weeks I worked to cram  
All the textbooks for the CDP exam.  
Then I took the exam and was shocked to see  
That the questions didn't seem to mean a thing to me.  
All the questions didn't seem to mean a thing to him.  
So I wrote down some answers randomly,  
But I gave up all my hopes to be a CDP.  
So he wrote down some answers randomly,  
But he gave up all his hopes to be a CDP.  
Well, those random answers worked out fine;  
They scored my results at the top of the line.  
Now I am a consultant here,  
And I make at least a hundred thousand bucks each year.  
And he makes at least a hundred thousand bucks each year.  
But I only command such a salary  
Because I am officially a CDP.  
But he only commands such a salary  
Because he is officially a CDP.

Now, office boys, whoever you may be,  
If you want to rise to the top of the tree,  
Just go and take the CDP exam,  
And no matter what you answer they won't give a D--n!  
And no matter what you answer they won't give a D--n!  
Just answer it all as random as you please  
And you will all officially be CDPs.  
Just answer it all as random as you please  
And you will all officially be CDPs.

## Sweet Home Alabama (99)

Lynyrd Skynyrd

<sup>D</sup> <sup>C</sup> <sup>G</sup>  
Big wheels keep on turning  
<sup>D</sup> <sup>C</sup> <sup>G</sup>  
Carry me home to see my kin.  
<sup>D</sup> <sup>C</sup> <sup>G</sup>  
Singing songs about the southland  
<sup>D</sup> <sup>C</sup> <sup>G</sup>  
I miss'ole' bamy once again (and I think it's a sin)

Well, I heard Mister Young sing about her  
Well, I heard ole Neil put her down.  
Well, I hope Neil Young will remember,  
A southern man don't need him around anyhow

Sweet home Alabama,  
Where the skies are so blue,  
Sweet home Alabama,  
Lord, I'm coming home to you.

<sup>F</sup> <sup>C</sup> <sup>D</sup>  
In Birmingham they love the Gov'nor Boo hoo hoo !  
Now we all did what we could do.  
Now Watergate does not bother me.  
Does your conscience bother you? (tell the truth)

### CHORUS

Now Muscle Shoals has got the Swampers  
And they've been known to pick a tune or two  
Lord they get me off so much  
They pick me up when I'm feeling blue  
Now how about you?

### CHORUS

## Swing Low Sweet Chariot (100)

Traditional

<sup>D</sup> <sup>G</sup> <sup>D</sup>  
Swing low, sweet chariot,  
<sup>A7</sup>  
Comin' for to carry me home.  
<sup>D7</sup> <sup>G</sup> <sup>D</sup>  
Swing low, sweet chariot,  
<sup>A7</sup> <sup>D</sup>  
Comin' for to carry me home.

I looked over Jordan, and what did I see,  
Comin' for to carry me home.  
A band of angels comin' after me,  
Comin' for to carry me home.

If you get there before I do,  
Comin' for to carry me home.  
Just tell my friends that I'm a comin' too.  
Comin' for to carry me home.

I'm sometimes up and sometimes down,  
Comin' for to carry me home.  
But still my soul feels heavenly bound.  
Comin' for to carry me home.

## Take It Easy (101)

By The Eagles

Well I'm a runnin' down the road try'n to loosen my load  
I've got seven women on my mind  
Four that wanna own me, two that wanna stone me  
One says she's a friend of mine  
Take it easy, take it easy  
Don't let the sound of your own wheels drive you crazy  
Lighten up while you still can  
Don't even try to understand  
Just find a place to make your stand, and take it easy

Well, I'm a standin' on a corner in Winslow, Arizona  
Such a fine sight to see  
It's a girl my lord in a flat-bed Ford  
Slowin' down to take a look at me  
Come on, baby, don't say maybe  
I gotta know if your sweet love is gonna save me  
We may lose and we may win, though we may never be here again  
So open up I'm climbin' in, so take it easy

Well, I'm a runnin' down the road tryin' to loosen my load  
Got a world of trouble on my mind  
Lookin' for a lover who won't blow my cover, she's so hard to find  
Take it easy, take it easy  
Don't let the sound of your own wheels make you crazy  
Come on baby, don't say maybe  
I gotta know of your sweet love is gonna save me

1) Almost heaven, West Virginia,  
2) All my mem'ries, gather round her,  
1) Blue Ridge Mountains, Shenandoah River.  
2) miner's lady, stranger to blue water.  
1) Life is old there, older than the trees,  
2) Dark and dusty, painted on the sky,  
1) younger than the mountains  
2) misty taste of moonshine  
1) growin' like a breeze.  
2) teardrop in my eye.  
Ref.) Country roads, take me home, to the place I belong.  
West Virginia, Mountain momma, take me home Country roads

Bridge) I hear her voice in the morning hour she calls me,  
the radio reminds her of my home far away  
and driving down the road I get a feeling  
that I should have been home yesterday, yesterday.

## The Hacker's Song (104)

The Lumberjack's Song  
Dave Touretzky and Don Libes

The Hacker's Song  
by Dave Touretzky and Don Libes  
(with no apologies whatsoever to Monty Python)

I'm a hacker and I'm okay.  
I work all night and I sleep all day.

I wrote some hacks in APL,  
each on a single line.  
They're mutually recursive,  
and run in n-squared time!

Oh, he's a hacker and he's okay.  
He works all night and he sleeps all day.  
I'm a hacker and I'm okay.  
I work all night and I sleep all day.

I wrote two hacks in MACRO,  
with UUOs galore.  
One plays Nim on the console lights,  
while the other zeros core!

chorus

I wrote a hack in Snobol,  
with FORTRAN subroutines.  
It spits out trashy stories,  
for ladies' magazines!

chorus

I wrote some hacks in InterLisp,  
they barely fit in core.  
The swapper thrashed its guts out,  
So now it runs no more.

chorus

I wrote a hack in microcode,  
with a goto on each line,  
it runs as fast as Superman,  
but not quite every time!

chorus

I wrote some hacks in Ada,  
and still can't run them yet,  
Do you suppose we'll see that day?  
On it, I wouldn't bet!

chorus

I wrote a hack for UNIX  
While it was still in vogue.

It knows the tricks to pacman,  
and plays mean games of rogue!

chorus

I wrote some hacks, distributed,  
across our neat gateway,  
Each one of its IO functions  
kills RIG in a different way!

chorus

I wrote some hacks in Mlisp,  
to edit files of root.  
It writes them back no-execute,  
And now it won't reboot!

chorus

I wrote some hacks to manage jobs  
with PLITS and IPC.  
Its very first activity,  
was firing the faculty!

chorus

I wrote some hacks with P and V  
to synchronize my life.  
Now I can't use the bathroom,  
I'm deadlocked with my wife!

chorus

I wrote a hack (in theory),  
it may not ever halt.  
But if it does, just watch out...  
(Fatal Error: Infinite Page Fault)

chorus

I wrote a hack with hough transforms  
for our folks at DoD.  
It'll guide their fancy missiles,  
to Washington, D.C.

I'm a hacker and I'm okay,  
I work all night and I sleep all day.  
I'll have a system of my own someday,  
that'll run my code in a hacked-up way.

## The Rose (106)

Bette Midler

Some say love, it is a river, that drowns the tender reed  
Some say love, it is a razor, that leads your soul to bleed  
Some say love it is a hunger, and endless aching need  
I say love it is a flower and you its only seed  
It's the heart afraid of breaking that never learns to dance  
It's the dream afraid of waking that never takes a chance  
It's the one, who won't be taken who cannot seem to give  
And the soul afraid of dying that never learns to live  
When the night has been too lonely and the road has been too long  
And you find that love is only for the lucky and the strong  
Just remember in the winter for 'neath the bitter snow  
Lies the seed that with the sun's love, in the spring becomes the rose

## The Sound of FORTRAN (107)

The Sound of Music (Rodgers and Hammerstein)  
Guy L. Steele Jr.

My programming day has come to an end, I know,  
But one minor bug still restrains me, though,  
So back to me desk I stumble,  
More coffee I pour in my mug,  
So back to me desk I stumble,  
More coffee I pour in my mug,  
And I drink, and I think, and I program  
Just one more hack, just one more hairy kludge  
To remove that bug.

Machines are alive with the sound of FORTRAN,  
With numbers they've crunched for a thousand hours;  
They add and subtract to the sound of FORTRAN,  
And raise fractions to unheard of powers.

My code's full of REAL statements, INTEGER and COMPLEX too,  
duplicated thrice oe'r,  
And so intermixed with the WRITES and READs  
to cause errors galore;  
Arrays are declared of dimension six, but indexed minus two;  
Computed GO TOs are last in the range of a DO!

I now recompile my corrected programs;  
I know I will get what compiled before --  
My code will be blessed with the sound of FORTRAN,  
And I'll lose once more.

And I'll lose once more.

## The Star of the County Down (109)

e G D  
Near to Banbridge Town, in the County Down  
e D  
One morning in July,  
E G D  
Down a boreen green came a sweet colleen,  
e D e  
And she smiled as she passed me by;  
G D G  
Oh, she looked so neat from her two white feet  
e D  
To the sheen of her nut-brown hair,  
e G D  
Sure the coaxing elf, I'd to shake myself  
e D e  
To make sure I was standing there  
CHORUS: Oh, from Bantry Bay up to Derry Quay,  
e D  
And from Galway to Dublin town,  
e G D  
No maid I've seen like the brown colleen  
e D e  
That I met in the County Down.

As she onward sped I shook my head  
And I gazed with a feeling quare,  
And I said, says I, to a passer-by,  
"Who's the maid with the nut-brown hair?"  
Oh, he smiled at me, and with pride says he,  
"That's the gem of Ireland's crown,  
She's young Rosie McCann from the banks of the Bann,  
She's the Star of the County Down."

I've travelled a bit, but never was hit  
Since my roving career began;  
But fair and square I surrendered there  
To the charms of young Rose McCann.  
I'd a heart to let and no tenant yet  
Did I meet with in shawl or gown,  
But in she went and I asked no rent  
From the Star of the County Down.

At the crossroads fair I'll be surely there  
And I'll dress in my Sunday clothes  
And I'll try sheep's eyes, and deludhering lies  
On the heart of the nut-brown Rose.  
No pipe I'll smoke, no horse I'll yoke  
Though with rust my plow turns brown,  
Till a smiling bride by my own fireside  
Sits the Star of the County Down.

## This Land is Your Land (110)

Woody Guthrie

### Chorus:

<sup>D</sup> This land is your land, this land is my land,  
<sup>A7</sup> From California to the New York Island,  
<sup>G</sup> From the Redwood Forests to the Gulf Stream waters;  
<sup>A7</sup> This land was made for you and me.

As I was walking that ribbon of highway,  
I looked above me, there in the skyway,  
I saw below me, the Golden Valley;  
This land was made for you and me.

### Chorus.

I roamed and rambled, and followed my footsteps  
Through the sparkling sands of her diamond deserts,  
And all around me this voice kept saying,  
"This land was made for you and me."

### Chorus.

As the Sun was shining, and I was strolling  
Through the wheat fields waving and the dust clouds rolling,  
I could feel inside me and see all around me,  
This land was made for you and me.

### Chorus.

## TOO-A-LOO-RA-LOO-RAL (113)

That's An Irish Lullaby

Over in Killarney  
Many years ago,  
Me Mither sang a song to me  
In tones so sweet and low.  
Just a simple little ditty,  
In her good ould Irish way,  
And I'd give the world if she could sing  
That song to me this day.

### Chorus:

"Too-ra-loo-ra-loo-ral, Too-ra-loo-ra-li,  
Too-ra-loo-ra-loo-ral, hush now, don't you cry!  
Too-ra-loo-ra-loo-ral, Too-ra-loo-ra-li,  
Too-ra-loo-ra-loo-ral, that's an Irish lullaby."

Oft in dreams I wander  
To that cot again,  
I feel her arms a-huggin' me  
As when she held me then.  
And I hear her voice a -hummin'  
To me as in days of yore,  
When she used to rock me fast asleep  
Outside the cabin door.

## Waltzing Mathilda (115)

Traditional

<sup>C</sup> Once a jolly <sup>G</sup> swagman camped beside a <sup>F</sup> billabong  
<sup>C</sup> Under the shade of a coolibah tree,  
And he sang as he watched and waited 'till his billy boiled,  
<sup>C</sup> "You'll come a waltzing, Mathilda, with me."

Chorus:

<sup>C</sup> "Waltzing Mathilda, waltzing Mathilda,  
<sup>C</sup> You'll come a waltzing, Mathilda, with me."  
And he sang as he watched and waited 'till his billy boiled,  
<sup>C</sup> "You'll come a waltzing, Mathilda, with me."

Down came a jumpbuck to drink at the billabong,  
Up jumped the swagman and grabbed him with glee,  
And he sang as he stowed that jumpbuck in his tucker bag,  
"You'll come a waltzing, Mathilda, with me."

Chorus.

Up rode the squatter, mounted on his thoroughbred,  
Down came the troopers, one, two, three.  
"Where's that jolly jumpbuck you've got in your tucker bag?  
You'll come a waltzing, Mathilda, with me."

Chorus.

Up jumped the swagman, sprang into the billabong,  
"You'll never catch me alive," said he.  
And his ghost may be heard as you pass by that billabong,  
"You'll come a waltzing, Mathilda, with me."

Chorus.

## We don't know how lucky we are (116)

John Clarke

I was speaking to a mate of mine  
just the other day  
A guy called Bruce Bayliss actually  
who lives up our way  
He's been living in Europe  
for the year, more or less  
I said "How was Europe, Bruce?"  
He says "Fred, it's a mess"

We don't know how lucky we are, mate  
We don't know how lucky we are

I was down the Plough and Chequebook  
the night before last  
There's a guy down there on the floor  
with his brain at half-mast  
I said "You're looking really bad mate  
your eyes look like strings"  
He says "Get me an eight will you please  
I can't see a thing"

We don't know how lucky we are, mate  
We don't know how lucky we are

Me stock agent's got a beach place  
where he spends most of his days  
His wife bit the dust down there last year  
got eaten by a couple of crays  
And his two littlest daughters  
got killed by a whale  
I said "Are you going down there this year mate?"  
He says "Fred, right on the nail"

"We don't know how fortunate we are to have that place  
We don't know how propitious are the circumstances Frederick"

So if things are looking really bad  
you're thinking of givin' it away  
Remember New Zealand's a cracker  
and I reckon come what may  
If things get appallingly bad  
and we all get atrociously poor  
If we stand in the queue with our hats on  
we can borrow a few million more  
We don't know how lucky we are, mate  
We don't know how lucky we are

We don't know how lucky we are, mate  
We don't know how lucky we are.

# What a Wonderful World (118)

Sam Cooke

What a wonderful, wonderful world this could be  
What a wonderful, wonderful, wonderful, wonderful world  
Don't know much about history, don't know much biology  
Don't know much about a science book,  
Don't know much about the French I took  
But I do know that I love you  
And I know that if you love me too  
What a wonderful, wonderful world this could be

Don't know much about geography, don't know much trigonometry  
Don't know much about algebra, don't know what a slide  
rule is for  
But I do know one and one is two  
And if this one could be with you  
What a wonderful, wonderful, wonderful world

### Chorus

Now I don't claim to be an 'A' student, but I'm tryin' to be  
I think that maybe by being an 'A' student baby, baby  
I could win your love for me - ee - ee

Don't know much about the middle ages,  
Looked at the pictures and I turned the pages  
Don't know nothin' 'bout no rise and fall  
Don't know nothin' 'bout nothin' at all  
But I do know that I love you  
And I know that if you loved me too  
What a wonderful world this would be

What a wonderful, wonderful, wonderful world

What a wonderful, wonderful, wonderful world

## Whisky in the Jar (119)

D Bm  
As I was going over the Kilmagenny mountain  
G D A  
I met with captain Farrell and his money he was counting.  
D Bm  
I first produced my pistol, and the produced my rapier.  
G D A  
Said stand and deliver, for I am a bold deceiver,

G  
Kertosje: musha ring dumma do damma da ( tai jotain )  
D  
whack for the daddy 'ol  
G  
whack for the daddy 'ol  
D A D  
there's whiskey in the jar

I counted out his money, and it made a pretty penny.  
I put it in my pocket and I brought it home to Jenny.  
She said and she swore, that she never would deceive me,  
but the devil take the women, for they never can be easy

Chorus

I went into my chamber, for to take a slumber,  
I dreamt of gold and jewels and for sure it was no wonder.  
But Jenny took my charges and she filled them up with water,  
and send for captain Farrel to be ready for the slaughter.

Chorus

It was early in the morning, before I rose to travel,  
the guards were all around me and likewise captain Farrel.  
I first produced my pistol, for she stole away my rapier,

but I couldn't shoot the water so a prisoner I was taken.

Chorus

If anyone can aid me, it's my brother in the army,  
if I can find his station in Cork or in Killarney.  
And if he'll come and save me, we'll go roving near Kilkenny,  
and I swear he'll treat me better than me darling sportling Jenny

Chorus

Now some men take delight in the drinking and the roving,  
but others take delight in the gambling and the smoking.  
But I take delight in the juice of the barley,  
and courting pretty Jenny in the morning bright and early

Chorus

## Write in C (120)

Let it Be  
<donna@nic.csu.net>

When I find my code in tons of trouble,  
Friends and colleagues come to me,  
Speaking words of wisdom:  
"Write in C."

As the deadline fast approaches,  
And bugs are all that I can see,  
Somewhere, someone whispers:  
"Write in C."

Write in C, Write in C,  
Write in C, oh, Write in C.  
LOGO's dead and buried,  
Write in C.

I used to write a lot of FORTRAN,  
For science it worked flawlessly.  
Try using it for graphics!  
Write in C.

If you've just spent nearly 30 hours  
Debugging some assembly,  
Soon you will be glad to  
Write in C.

Write in C, Write in C,  
Write in C, yeah, Write in C.  
Only wimps use BASIC.  
Write in C.

Write in C, Write in C  
Write in C, oh, Write in C.  
Pascal won't quite cut it.  
Write in C.

Write in C, Write in C,  
Write in C, yeah, Write in C.  
Don't even mention COBOL.  
Write in C.

(and what about C++ ?)

I'm sure they can help you today.

chorus

young man, I was once in your shoes.

I said, I was down and out with the blues.

I felt no man cared if I were alive.

I felt the whole world was so tight ...

that's when someone came up to me,

and said, young man, take a walk up the street.

there's a place there called the y.m.c.a.

they can start you back on your way.

chorus, with:

young man, young man, what do you wanna be?
